ROMAIN VERGNAUD

Currently looking for a 6 months or more internship starting from the end of July. French Citizen willing to relocate.

EXPERIENCE

LEAD GAME DESIGNER
Wasteland Hunters
Supinfo game - 2017

Wasteland Hunters is my 5th year final project, it's an action game in which you drive an hovercraft around a large world hunting gigantic bosses. I am currently the Lead Game Designer and I am in charge of making the main open map as well as creating the hovercraft's controls.

GAME DESIGN INTERNSHIP
Stellar Overload
Cubical Drift - 2016

Stellar Overload is an exploration and construction game made by Cubical Drift. I joined the development team for a 4 months internship working as a Game Designer. During this time I worked on creating a building system for the game as well as many different Game Design elements.

LEAD GAME DESIGNER
Haunt
Supinfo game 2015

Haunt is also a two weeks project made with a team of 20 students in partnership with Gameloft. As the Lead Game-Designer I managed a team of 10 people while keeping a good communication between poles to maintain a unified vision with the original game concept.

LEVEL & GAME DESIGNER
Valhalla-Kumba
Supinfo game - 2014

Valhalla-Kumba is a two weeks project in partnership with Gameloft. I mainly worked on the different levels of the game in terms of construction and pacing while keeping in mind the playability on our mobile platform.

EDUCATION

SUPINFOGAME
2012-2017

Since the beginning of my Game-Design formation I acquired many skills in level design, project management and programming while working on many projects within different teams ranging from 4 to 20 members.
